

2024 Sherwood Mountain Poker Ride

RULES & INFORMATION:

- 1) This is a fun event, not a race. Ride at your own pace to as many or as few stations as you'd like.
- 2) Participants must be prepared for ride with all necessary supplies, spare parts, food, water, etc. and are responsible for their own route selection and transportation. There is no on-trail support for this event.
- 3) The route is self-supported and the course is NOT marked. We recommend you utilize this map and/or the trailforks app on your smartphone to navigate the trails. Ride or hike only trails within your skill level.
- 4) Randomly collect one token from each station you visit - honour system applies here and Karma is always watching! No trading/sharing cards with others.
- 5) Ride and hike within your own ability. Most trails are intermediate to advanced level and changing weather conditions can impact the trail conditions. Be prepared for the conditions of the day.
- 6) Ride or hike with a partner or group and help out others in need.
- 7) Respect other trail users and yield to uphill traffic on 2-way trails.
